**SATURDAY AFTERNOON NETWORKING EVENT**

## **Be a Part of the Saturday Afternoon Networking Event**

Our annual Networking Event will be back on Saturday again in the Science and Technology Hall from 4 pm - 6 pm. There will not be any competing AUA events and we expect a great celebration as we create meaningful opportunities for our exhibitors to engage with potential customers. We place food and drink stations around the Hall, and we welcome our exhibitors to join in the networking by offering refreshments in their booths as well.

Savor...Chicago Catering Department is offering a special menu for this event that showcases the flavorful and traditional cuisine of Chicago and the Midwest. Choose a signature appetizer or specialty cocktail to attract attendees to your exhibit booth to network!

Participating exhibitors will be listed, along with their booth numbers, in the printed "Saturday Afternoon Networking Guide," which will be handed to attendees as they enter the Science & Technology Hall on Saturday afternoon. **The deadline is March 22 for inclusion in the printed guide.**

Order forms are available, or you may reach out to the contacts below to customize your experience.

## PRIVATE MEETING ROOM SPACE

### ExpoSuites

AUA ExpoSuites are meeting rooms built on the AUA Science & Technology Hall to enable companies to have a private area for staff to meet, relax or to entertain or meet with healthcare professionals away from the main traffic of the exhibits. Located on the perimeter of the AUA Science & Technology Hall, your ExpoSuite will provide the privacy of a hotel suite without the challenging transportation logistics. Your staff will have access to your ExpoSuite one hour before the Science & Technology Hall opens.
